SUBJECT: REQUEST FOR PROJECT REVIEW,

PROJECT: Applicant: Grand Finale Dock, LLC (Jason Hamilton)  
Location: Vinalhaven (Sand Cove)  
Type of Project: Pier Expansion

The above proposed project has been carefully reviewed and considered by DMR personnel.

DMR understands that the applicant is proposing to construct a 20 ft. x 24 ft. pile supported addition to the seaward end of an existing 18 ft. x 51 ft. pier. This would extend 5 ft. beyond Mean Low Water (MLW). This would be used for commercial fishing.

This project as proposed should not cause significant adverse impacts to traditional fishing, recreation, navigation, or riparian access.
